A TOUCH OF CLASS At the Chesterfield Mayfair

35 Charles Street, Mayfair, W1J

Discreetly tucked away off Berkeley Square, the luxury four star deluxe Chesterfield Mayfair Hotel in London is where the traditional virtues for which Mayfair is a byword meet the ultimate in contemporary convenience, and the perfect location in London for those who value a style of quality that never goes out of fashion.

Once inside, the atmosphere of quiet, calm, and efficient service is more reminiscent of a private club than an International 4 star luxury hotel in Central London.
