

# Dazzle

At One London Wall EC2

This December come and experience the thrill of the Casino at One London Wall as we host 'Dazzle', a fun filled party inspired by the world-renowned Bellagio Hotel.

Elegant dresses and James Bond style suits are definitely the order of the day as guests enjoy sparkling wine and cocktails in the opulent surroundings of this plush City venue.

Huge chandeliers hang prominent in the dining room reflecting light on to the gold palms and lavishly dressed tables, the perfect setting to enjoy a sumptuous feast.
