MEMORIES OF MOTOWN

Now in its 3rd year, the sold out show leaves all other Motown shows standing in the shadows, as you'll be out of your seats, dancing and screaming for more! Join the magic of Motown as you see our live cabaret perform hits by Marvin Gaye, The Four Tops and Stevie Wonder.

Following the 50th Anniversary of Motown in 2009, let us take you back to a time when music, food and dancing was top of the bill. With our stylish décor and intelligent lighting you will be transported back to the "the good times".

After a delicious traditional Christmas dinner, the night will go with a swing, as guests are entertained with the live musical Motown experience as well as dancing the rest of the night away to the tunes from our resident DJ.
