The Royal Institute of British Architects Florence Hall

The Florence Hall is a truly unique and prestigious venue. The RIBA's largest and most richly decorated room, re-furbished by Conran & Partners, will add elegance and grandeur to your special occasion. Vast floor-to-ceiling windows flood the room with daylight, and stunning etched glass doors open out onto a delightful roof terrace. The roof terrace provides a beautiful open area to accompany the Florence Hall in the Summer and room for a marquee in winter.

The First Floor Landing, one of the grandest and most social spaces in the building, extends around the marble staircase and provides an ideal setting for a drinks reception. Its high ceilings and long windows give a feeling of splendour and spaciousness whilst its grand piano can provide the perfect accompaniment to your arrival.

The Florence Hall can accommodate up to 200 guests for a seated dinner with dance floor. The venue and catering teams have vast special-event experience with a focus on excellence. The in house caterers can design a bespoke non-offensive menu to perfectly complement your event. If you require Kosher catering they have a list of suppliers who are allowed to cater in the building.
