

The River Room at
OXO2

THE VENUE

Be prepared for something very special as we invite you and your guests to celebrate in one of London's most iconic venues this Christmas!

Opening its doors for the first time for events, the River Room in the OXO Tower is a fantastic space to eat drink and be merry! Floor to ceiling windows along the reception and dining room means this venue has amazing views of the river and the bustling City by night.

THE VENUE

Guided by the famous OXO logo flanking the South Bank of the River Thames guests will arrive to the second floor and be welcomed inside to enjoy reception cocktails whilst admiring the magnificent view.

Making their way to the tables the party is lead through to the dining room where our award winning caterers serve a delicious feast. After dinner the DJ cranks up the volume, the lights go down and the party really kicks off! If you want something exclusive, contemporary and memorable this December, the River Room will be just perfect!

ENTERTAINMENT

DJ and Disco

When the band have finished their set our DJ will continue the flow of classic party tunes that are sure to fill the dance floor until the end of the night.
