The Cuban - Camden

The Stables, Camden Town, N1

The Caribbean harbours a jewel in the Island of Cuba. Cuba is anything but bland. Music plays a huge part in daily life, with the rhythms of salsa or jazz liable to erupt in the cobbled streets at any time. Material privations have not muted the friendly Cubans' joie de vivre - singing and dancing are high on their list of priorities, and they appreciate the quality of their excellent rum and cigars. All these qualities are captured in the décor and atmosphere of the Camden's newest and liveliest venue.

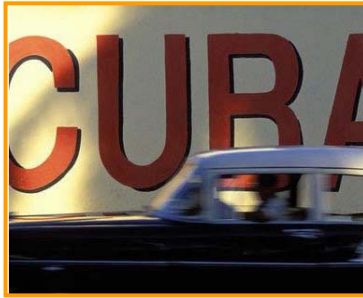

Exotic spices, the finest ingredients and chefs who passionately believe in food,
That's the difference at The Cuban.
