

1 Leicester Square

The ultimate nightclub on the London clubbing circuit to date; Sound 1 Leicester Square is the newest, most prestigious and exciting nightclub in the heart of London set to shake up the club scene, and bring a whole new level to the London clubbing experience. Set over three levels Sound caters for all tastes, each floor with its own distinctive feel.

With many packages on offer and flexible solutions to all party needs Sound can provide anything from the full on club hire right through to a private area within the main room for as few as 20 people. This versatile nightclub has three levels available for hire, each with a totally unique feel to them.

Level 3, the main floor, comprises an elegant large bar, main dance space, raised staging, luxurious banquette seating area and large sofas, complete with its own raised VIP area overlooking the dance floor. The Mezzanine on the fourth level also overlooks the main dance space but has a larger bar and includes a secluded area for 20 people (seated)

Level 5 - The Ivory Room has unrivalled views over Leicester Square and London beyond. A party space in its own right The Ivory Room is a popular choice for a party as it is totally self-contained and can easily be the private party to measure all future parties by.
